Sumpter City Ordinance 1983-2 Regarding Snow Removal, Sections 1 & 2 state that:

1). All motor vehicles must be removed from the City of Sumpter streets for the purpose of snow plowing during the winter months.

2). The City of Sumpter will not be responsible for any damage that might occur to any motor vehicle by means of a snow plow or grader, if said motor vehicle is left on City of Sumpter streets during periods of snow plowing through out the winter months.

City of Sumpter would also like to remind you to remove your trash cans from the streets. We will not be responsible for damage to cans.

Thank you
